

## DISCOVER CHINGFORD MOUNT THIS SUMMER

Waltham Forest Council invites you to be a part of our 'Summer Window Art Trail' right here in Chingford Mount!

A fun, exciting art trail for all the family, where you'll be able to discover unique pieces of artwork hand-painted onto our local shop windows.

There's 18 to find, but be quick, they'll only be around till mid-September!

### A FREE ACTIVITY

Each window artwork has been designed using the unique character of the local shop window they're painted on.

With themes of safety and unity, each window artwork features a local resident story that you'll be able to read more about by locating the poster next to each hand-painted art piece.

For parents and children- There's also a puzzle to solve on every window, can you find and solve all 18?

Note: The best time to take the trail is around 1pm each day when the shops are open!

### GET STARTED TODAY
